

DKV Mundisalud

DKV

Take care of yourself, wherever you are

**A fast service with top
medical staff and the best
healthcare centres worldwide.**

Quality, ease and speed

At DKV, your well-being and that of your loved ones is our top priority. That's why our insurance plans are designed to provide you with the highest quality, ease and speed.

QUALITY, because you get the best coverage in the market, including all the services you need for your care. You also have access to the best healthcare centres in the country and one of the most extensive medical networks.

EASE, because our services, information and contracts are designed to be simple, clear and straightforward. Without complications.

SPEED, because you can manage everything quickly and conveniently through various channels at your disposal. We are here for you, always. .

All this comes with the guarantee of being part of **ERGO**, one of the largest insurance groups in Germany and Europe, serving over 2 million people.

Our 10 Commitments to You

With **DKV Mundisalud**, you have a health insurance plan that gives you the freedom to choose the specialist or medical centre of your preference anywhere in the world—whether they are part of our medical network or not.

1

Choose **any doctor and medical centre in the world at no extra cost**, with the peace of mind of having the best service and technology at your disposal.

2

Fast reimbursements. We process refunds within 7 days. In addition, you can submit requests easily via the Activa DKV app or your Customer Area.

3

So that your family is also well taken care of, you get a **discount of up to 12% on the family insurance** (individual plan).

4

Of course, **you don't pay for doctor visits** through our partnered network.

5

Always with you. Starting from the third year, your insurance is for life. Additionally, from the age of 65, your coverage remains unchanged

6

We take care of your smile. With DKV Mundisalud, **dental services are included.**

7

If you are hospitalised, you will have a **private room with an extra bed for your companion** if needed. This will make your stay more comfortable and aid your recovery.

8

Using the **DKV Activa app**, you can carry out all the procedures and consultations on your insurance in a few seconds, conveniently and from wherever you are.

9

To always have the most complete services at hand, the **Quiero cuidarme Más** app allows you to chat with the medical team 24/7, access medical reports, prescriptions, and much more.

10

For trips of up to 180 days abroad, you have up to €30,000 for medical assistance in case of illness or accident during your stay. This will allow you to enjoy your trip worry-free.

You will be cared for by the best medical teams and centres **around the world**

You can visit any medical centre worldwide, and **DKV will reimburse you for 80% or 90%** of the total costs.

In Spain, you have access to more than 51,000 medical professionals and 1,000 affiliated centres.

Your DKV space, very close

At **DKV Health Spaces**, you have the best medical care within reach. Spacious centres where you will feel comfortable, with all services and the latest technology.

Consult your **Health Specialist** for the nearest locations. If you are elsewhere in Spain, visit dkv.es/espaciosdesalud and find available centres near you.

We help you to prevent illness and **take care of your health every day**

You already know that with DKV Integral, you have the highest level of coverage to use whenever you need it, but we also work to help you maintain a healthy lifestyle.

Preventive care programmes

We share healthy lifestyle habits with you and help you improve your quality of life and that of your family members:

- Paediatric health programme.
- Programme for the early detection of diabetes.
- Programme for the early detection of glaucoma.
- Programme for the early detection of gynaecological cancer in women.
- Programme for the prevention of coronary risk.
- Programme for the prevention of skin cancer.
- Programme for the prevention of colorectal cancer in people with a past medical history.
- Programme for the prevention of prostate cancer for men over 45.
- Dental health programme.

Additionally, in the Quiero Cuidarme Más app, you can access personalised **preventive programmes with support from a coach** who evaluates and follows up on your progress.

Your online store: DKV Club Salud y Bienestar

As a club member, you receive **multiple discounts on health and wellness services for the entire family**: You will find offers on nutrition, fertility, refractive surgery for near-sightedness and long-sightedness, hair health, sports medicine, genetic studies and many more products.

Your health will be in the hands of the best clinics, **with more than 25,000 professionals**. These are some of the brands that trust in the Club to provide their services to our customers: Clínica Baviera, Podoactiva, Biocord, Cuideo, Gaes, IVI, Logitravel, Óptica 2000, and Psicocare, among others.

With DKV Club Health and Wellbeing, you get **discounts on prices, reduced rates, one month of free subscription to apps, raffles, and much more**.

Everything you find in our Club is **validated by health technology assessment agencies**. Additionally, the DKV team includes medical specialists who oversee the entire service offering.

Find out more about all the services and discounts. Contact your Health Specialist, visit dkvclubdesalud.dkvseguros.com, or call 900 810 670.

Your health insurance is with you 24 hours a day

Activa DKV App

With the Activa DKV app, you can easily and quickly access everything your insurance offers. You can manage reimbursements, authorisations, consultations, and much more, conveniently and wherever you are.

- **Consultations.** Find the nearest doctors, specialists or emergency centres.
- **Digital card** available on your mobile phone.
- **Reimbursement management** (only for the optional module of reimbursement for paediatrics and gynaecology). You can request and check the status of reimbursements whenever necessary. You will receive a notification on your mobile phone when the status of the request change.
- **Manage authorisations.** You can request and check the status of your medical authorisation. You will receive an instant notification with the status of your authorisation.
- **Do you have questions? Ask Nauta**, your virtual assistant, who will offer you the information you need to manage your policy at any time.
- **Find the nearest DKV branch** for in-person attention.
- **Connect with DKV** via instant messaging (Wall/WhatsApp).
- Check or change your **contact details**.
- Check or download your **policy's conditions**.
- Access **Quiero cuidarme Más**.

Download the Activa DKV app
from Google Play or App Store.

Quiero cuidarme Más app

Access all the functions from your mobile phone:

- **Medical directory** that provides the following:
 - **24-hour medical chat** with advice from a healthcare professional for consultations from your mobile phone.

- **Video consultations in multiple specialities**, both in our virtual Espacio de Salud and with the professionals in our medical directory, which we make available to you.

- **Request an in-person appointment** with the professionals in our medical directory and book an appointment online or by phone.

- **Symptom checker** for a first medical approach on the experienced symptoms.

- **Mi farmacia.** Request the **electronic prescription** on your phone, so you can go straight to the pharmacy. In addition, **chat with a pharmacist** to clear up your doubts. You can also see the details of the prescribed medication and purchase over-the-counter chemist products via DKV Club Salud y Bienestar.

- **Take care of your mind.** We offer a section with information about your mental health and the possibility of receiving psychological guidance to solve issues that concern you. The service allows opening a chat with a psychologist who will suggest a treatment and a series of tips and guidelines to follow.

- **Health folder.** Safely receive and store your medical reports, results and other health documents. You will also receive requests for analytical and imaging tests.

- **Digital midwife.** Resolve any queries about the care of the newborn, breastfeeding and physical and emotional recovery after childbirth.

- **Health indicators and challenges.**

- **My diary:** a personal agenda to record and review your medical appointments and other health activities.

- **Personalised preventive programmes** with the support of a specialist in coaching.

- **Online physiotherapy.**

- **Remote speech therapy service for children.**

Additionally, if you have your children linked to your policy, you can activate a chat with the paediatrician from Monday to Sunday, from 8 AM to 10 PM, to ask any questions you may have

New for 2025

- Possibility of **three-way video calls:** to accompany elderly or disabled insured persons on their appointments.

- **Specialised support for epilepsy:** chat with professionals specifically trained to deal with problems related to epilepsy.

- New **psychoemotional health test:** you can complete a questionnaire and receive an automatic assessment on your well-being.

*Specialities: allergy, digestive system, cardiology, general and digestive surgery, dermatology and venereology, endocrinology and nutrition, gynaecology and obstetrics, general medicine, internal medicine, nephrology, pulmonology, neurosurgery, ophthalmology, otorhinolaryngology, paediatrics, psychology, psychiatry, rheumatology, pain management, traumatology and orthopaedics, urology.

DKV makes it easy for you: Customer area

- Easily manage your authorisations and reimbursements.
- View and change details of your policies.
- Download the general and specific terms and conditions of your policies.
- View bills and copayments.

And a lot more.

Services managed by DKV Servicios S.A., entity entrusted with the provision and development of digital health services for persons insured by DKV Seguros y Reaseguros SAE.
